

Let Funky Gumbo transport your guests to the Big Easy, “The City That Care Forgot.”

Every day is Mardi Gras day with Funky Gumbo! This zesty, good time jazz band will lift your spirits with toe-tapping street-beats, familiar swing tunes, and New Orleans rhythm and blues.

The group is clad in dress shirts and ties, festive vests, with derbies and caps.

Funky Gumbo performs primarily as a strolling band. However, when entertaining on stage, the band provides its own P.A. system, CD break music, and ambient stage lighting.

Funky Gumbo was created by Ron Kopf, who is well known throughout Central Florida for delivering top-notch performances that fulfill clients' highest expectations. Funky Gumbo can perform in a show presentation or create atmosphere music customized to meet your needs.
